Lance:

I just spoke to you a few minutes ago regarding the email request that I received on Friday September 12, 2014 from Attorney Lindsay Brown who represents Sun Pipeline and Sunoco. Attorney Brown's email is attached below.

She is requesting a 45 day extension to respond to our Good-Faith offer to negotiate on EPA's proposed AOC to conduct a RI/FS.

As we discussed I recommend that will give these Companies a 30 day extension to Tuesday October 14th.

Please let me know how the program wants to handle this extension request.

Thanks,

Dear Mr. Benton,

This correspondence is to advise that Sun Pipeline Company ("Sun") and Sunoco, Inc. ("Sunoco") are still in the process of reviewing their files and do not yet have a response to the EPA's July 28, 2014 correspondence referenced below. As you may be aware, the nexus document provided by the EPA allegedly linking Sun and/or Sunoco to the site implicates a transaction(s) that occurred over 50 years ago, and, according to our initial review, involved a company that was not related to Sun or

Sunoco at the time. Sun and Sunoco respectfully request a forty-five (45) day extension to complete their review and respond to the letter.

Thank you in advance for your cooperation and assistance in this matter.
